Under the principle of compact prosecution, a telephone contact with the applicant's representative, Paul Greeley (Reg. No. 31,019) was initiated by the examiner on September 10, 2008. Applicant is urged to rewrite the claim limitations based on his/her expertise so long as the claim 12 subject matter is included in all independent claims and cancel claims 32-35 due to a 101 issue. The proposed amendment will accelerate prosecution by placing the application in condition for allowance. The period for reply is set to expire 30 days from the emailing date of this communication.
